

Tailem cares for kids!

Children in Tailem Bend are set to benefit from an exciting new funding partnership.

The **Caring Community Project** will provide social and wellbeing services to Tailem Bend children under the age of 12.

Facilitated by ac.care's **Communities for Children Murraylands programme** and funded by the **Australian Government Department of Social Services** the **Caring Community Project** will provide local children with access to after school homework programs, arts and crafts, dance and movement activities.

Families will also be able to access health advice, family information sessions and parent/caregiver support groups.

The Chair of the Tailem Bend Community Centre (TBCC) Board, Mrs Lorraine Cresp, announced the new project and partnership and said '*The TBCC has been very determined to attract funds for young people in Tailem Bend as we have identified that there is a significant gap in services for children. This issue has been on our agenda for a number of years and it pleasing that we are now able to make a difference.*'

The first service to be delivered will be an after School homework program providing internet and support to children in the community. Tammy Shepherd, Coordinator TBCC explained that '*for the first time we will be able to plan and deliver holiday services and this will go a long way to relieving some of the stress that families face during holidays.*'

On behalf of ac.care's Communities for Children programme Senior Program Manager Teresa O'Brien said 'we are pleased to be able to further build on our collaborative relationship with the Tailem Bend Community Centre and welcome them on board as a Community Partner.'

More information about the **Caring Community Project** can be found at www.tbcc.org.au or by contacting the Tailem Bend Community Centre on tel: 08 8572 3513.

Town Tours

MENINGIE Town Tour

The Town Tours to the Meningie Cheese Factory Museum and restaurant were very popular with 50 people attending. What a beauty of a day we had!! We went on a bus trip to Meningie to discover some of the hidden gems in our community. The volunteers at the Meningie Cheese Factory Museum made it a very special day for all. Walking through the museum and seeing all the objects from the past started many a conversation on times gone by. Stories about cheese making, farming back then, house-keeping when all were still little tykes and the fashion of yesteryear were exchanged between the helpful volunteers and the visitors. It is definitely worth a visit when you're in Meningie! The group had lunch at the beautifully located Cheese Factory Restaurant (the views over Lake Albert are just to die for!). We were treated like royalty and the food was absolutely delicious!

TAILEM BEND TOWN TOUR

On 8 August we visited local attractions in Tailem Bend.

Well what a fantastic day we had touring Tailem Bend by bus enjoying a talk at the Tailem info Station (TiS) a tour of The Big Olive and finally a visit to Motorsport Park. The history at the TiS is remarkable anyone with an interest in rail should definitely pop in to check it out. Huge thanks to Steve and Lyn for their hospitality at the Big Olive everyone needs to taste the Kalamata Tapenade... mmm delicious!! Finally thank you so much Michael and Will from Coorong Council for the very informative tour of Motorsport wow is that an exciting venture for the region.

Unfortunately, we only had a day so we could only attend three gems. Other full day trips will be organised to some of the other fantastic attractions our area has to offer.

We hope everyone has enjoyed the two local tours and look forward to the next tour in Tintinara in a few months.

TBCC received a kind donation from Betty of 100s of containers for our art & craft items, seeds etc. Thank you kindly Betty!
